Description

Preconditions:

- *go to the website* https://www.porcporc.com/ *and click on the "customer" , "account" button in the top right of the page*
- *select the "CONT NOU" button to access the new account form*

Steps to reproduce:

- Navigate to Prenume text box
- Enter an invalid value

Expected result:

- I should be prompted that the data is not valid

Actual result:

- The thext box is valid and dose not display any error message
